

PWH Quarterly Haiti Report

by Renes Deciere November 5, 2022

Praises and thanks:

We praise the Lord for His assistance to our ministries in difficult times. **We thank Him** for His protection. Despite difficult times, we have done most of the projects we planned. We praise His name all the time! We want to thank you for your faithful prayers and financial support. We truly appreciated it.

1-The Political situation in Haiti

Since the assassination of the president, the political and social situation in Haiti is in a bad condition. **For 2 months there are demonstrations almost every day.** Politicians are fighting for power. The cost of living is becoming higher and higher. Gangsters are comfortable to kidnap people in the streets. There is no justice for the victims. Many churches cannot work in certain areas. Schools cannot open and things are very hard for the ministries in Haiti.

2-AFCA Village:

a) AFCA School: AFCA School always has good success with the national school exam. For academic year 2021-2022 9th grade had a success of 28/29 (97%), and 13th grade 21/24 (88%). It was a good result considering the stressful time we have in Haiti right now. We also organized a High school graduation ceremony for the 13th grade class to celebrate the accomplishment of the students.

b) AFCA Church: AFCA Church celebrated its 24th anniversary Sunday October 16, 2022. The name of the Lord was glorified and the congregation was joyful during the worship service of the celebration. Praise the Lord!

3- Silo Ministries

a) **Silo School:** The last academic year (21-22) finished well. The new one is not started regularly yet. Silo School together with Silo Church organized a VBS for the children from August 15-17, 2022. 120 children participated in this year's program. They learned missionary life lessons, Bible verses, and songs. They had lots of fun and were fed during the 3 days.

b) **Silo church:** Silo Church celebrated its 6th anniversary Sunday, August 28, 2022. It was a wonderful ceremony. The name of the Lord was praised and the saints were blessed.

4- Bethany Project

The Bethany Project is doing well. The political situation still affects this program. Our Haiti team is doing their best to manage the school sponsorship program as well as possible.

5- Pastor Belizaire Ministry (Jacmel)

Pastor Belizaire and his evangelistic team continues to make strides their community. In October, 37 people accepted the Lord. Please continue to keep this ministry in your prayers.

6- Nouvelle Alliance School/Church

Pastor Emmanuel reported the school had a success of 98% in the national school exam, for both 9th grade and 13th grade. They are able to take care of 25 children in the children house. They are making progress in their education.

Two future projects:

-A well in order to have water for the children and also to serve the community.

- Purchase a pick truck or a van to transport the children from their home to the church and school.

Please pray for these two pressing projects of Nouvelle Alliance.

7-International Evangelical Alliance (Pastor Dieuseul)

Pastor Dieuseul thanks for the financial support and prayer. The school year 2021-2022 finished well. He has organized some evangelistic activities focused on children and their parents.

Keep these two projects in your prayer:

-There is a need for sanitary block. It is important to dig a well for water to be available for sanitary block, the kitchen and the garden.

-Funds for a feeding program for the children at school.
