Living Source

These two students are part of the Living Source program. They received certificates after completing a training program on creating educational games for children. The tools they gain will help as they work with the younger kids at Living Source.

Schools

New Alliance

This year, 47 of 9th grade and 23 of 13th grade students participated in the official national examinations in July. The school also held a beautiful graduation ceremony to celebrate the accomplishments of its graduates.

Summer Letters

75 summer letters were sent to sponsors last month. If you have not received a letter, our team is working hard to connect with the children and get an update.

Our newest board member Les Hamlett is training to assist Al Perkins with the school sponsorship program. We are so grateful to have him join us.

Silo

The school honored children who completed preschool and graduated from elementary school. Five of these graduates will begin elementary school, and six will continue onto high school.

AFCA

Regarding the official examinations, the school registered 17 students for the 9th-grade exams and 16 students for the High School exams. These examinations were held over the two weeks in July. We are prayerfully expecting a 100% success rate. The school also held a High School Graduation Ceremony at AFCA Church. Several students expressed their heartfelt gratitude to their parents and teachers for their support, encouragement, and dedication throughout their educational journey.

AFCA Vocational School

The walls are being plastered at the professional school at AFCA village. They expect to begin offering courses like plumbing, baking, and electrical technology in October.

AFCA Medical Clinic

The clinic experienced some administrative and financial challenges. The head of the clinic, Mrs. Martinez Jovin, is currently in Florida, and the administrator, Dr. Henry Vanginé, has been ill. The absence of these two key people affected the clinic's operations. After discussing with Mrs. Martinez, APCH, our sister board in Haiti took the necessary administrative decisions. As a result, the situation has stabilized, and the clinic is now fully operational.

Prayer Requests

New Alliance (Arcahaie): We thank God that the situation in the area is calm. Please continue to pray for lasting peace and God's protection over the ministry.

Pastor Dieuseul: Please pray for Pastor Dieuseul, whose home in Delmas is still occupied by refugees.
