Bethany Student Update

147 active students
143 students available

Here are two to examples of children waiting for sponsorship.

This is David. He is 10 years old and in the 3rd grade. He attends Ecole Evangelique in El Elion.

This is Jouveline. She is 8 years old and in the first grade. She attends Bethesda school in Marbial.

“Enter his gates with thanksgiving, and his courts with praise! Give thanks to him; bless his name!” Psalm 100:4

As we approach these seasons of celebration, we want to thank you for all your prayers and support. We thank God for you and praise His name.

“For to us a child is born, to us a son is given...” Isaiah 9:6a

Bethany School Sponsorship

We had 3 students who graduated High School this year and all 3 passed the Philo Exam. We praise God!

Nouvelle Alliance, Archaie

The well project continues slowly with artisanal digging. Sometimes workers have to stop due to security issues. Progress has been made.

They expected to find water at 160 feet deep. But no water yet at 180 feet. Now they expect water at 200 feet. The work continues.

Al Perkins is our Bethany School Sponsorship Coordinator. If you would like to sponsor a child or if you have any questions or concerns about sponsorship, you can reach Al at alperkinspwh.org@yahoo.com

Silo Ministries

Pastor Emmanuel and his wife Smyrne lead this congregation. Many young people and children attend Silo Church. Mid summer work was done on the church building. Contributions from church members and donations for the US were use to fund this building project. Then in August the congregation celebrated its anniversary. They organized a week of spiritual activities, and a special celebration service. They praised the Lord for His grace and mercy to Silo Church. In the first week of September, the school and church organized a week of VBS for the children from the school, the church and others in the community. There were about 100 children. They were able to feed them.

Special Thanks: Medical Fund

PHW has collected funds throughout the years for different medical projects. Presently funds are going to a medical Clinic in AFCA Village. Thank you to those who faithfully pray and support these programs.

Silo school has started the new school year (2023-2024). In spite of the increased cost of living, they are able to feed the children 3 times a week. We praise the Lord!

Giving Tuesday: Nov 28th

We would like to highlight needs in Haiti and in the US.

In Haiti we are focusing on donations in two areas. 1- **schools feeding** programs. Due to inflation the cost to feed children has increased significantly. As you read in this newsletter schools are now only feeding children 1-3x/week. 2-**Bethany School Sponsorship Program**. As seen above we have many children who are requesting sponsorship.

AFCA Village

AFCA church celebrated its 25th anniversary. As we planned, we had organized a week of prayer, a week of spiritual conference and a special worship service on October 15, 2023. We praised and blessed the Lord for His blessings among us. The theme of the celebration is: **“The Lord is Good and Faithful from generation to generation”** (Psalm 100.5)

AFCA school: They had good results in the recent official exam. All **9th grade** students have passed the exam (100%). And 22/26, 85% of **High school** students were successful in their exam. We praise the Lord for these results. The new academic year, 2023-2024, started on September 11, 2023.

In the US we have a number of volunteer positions available: **Social Media Content Creator, Bethany Sponsorship Assistant, and Newsletter Curator**. Even though in our present times we are not able to go to Haiti, there are still many ways you can help. Please let us know if you are interested in helping in anyway.
