

## State Side Update

July 2023

### Bethany School Sponsorship

In June we received letters written by Haitian children for our sponsors. We were so excited by these letters. Last year the number of Christmas letter we received was down significantly due to all violence in Haiti. We were happy to be able to send out more letter to some of our sponsors. Due to the continued gang disturbances in Haiti, there are some schools who we haven't been able to receive letters.

## A Special Thanks

In June Bob St. Julien resigned from board of directors of PWH. We are so grateful to God for his years of service to this ministry.
